## 2010 Amerifest Parade

The Bluffton Lions Foundation, Bluffton-Pandora Rotary Club, and the Relay for Life of Bluffton Committee have joined efforts to provide a weekend full of fun and exciting activities. The committee would like to invite you or your group to enter in the festival parade on Saturday, June 26, 2010, at 12 noon.

The parade line up/staging area will begin at 10:30 a.m. on East College Avenue at Railroad Street. The parade route will be from the staging area to Main Street, Main Street north to Elm Street, Elm Street west to Bentley Road, Bentley Road south to the Bluffton University Buildings and Grounds area (approximately 1.2 miles).

Please let me know by June 18, 2010, if we can count on your entry for this exciting event.

All handouts (candy, pens, etc.) must be done by someone walking along side of your unit. Nothing may be thrown from your entry. Because the roadway will immediately be utilized for the annual car show, any entry with animals must provide a clean-up crew traveling immediately behind your unit.

Thank you,

Junior Weihrauch  
Parade Chairman
